

House Resolution No. 317

Whereas, the members of the Missouri House of Representatives hold in high esteem those Show-Me State entrepreneurs whose work and leadership admirably broaden and deepen the economic foundations of local communities and neighborhoods; and

Whereas, Erin E. Parish of Grain Valley, Missouri, has attained considerable distinction as a Nationally Certified Massage Therapist who is a member of Associated Bodywork and Massage Professionals; and

Whereas, Erin Parish will enhance her already impressive record of accomplishment when she opens a new therapeutic massage business in nearby Blue Springs under the name of Soothing Solutions; and

Whereas, Erin Parish is the beloved wife of Gregory E. Parish, the loving daughter of Jan and Steve Bailey, the devoted daughter-in-law of Kathy Parish, and the wonderful sister of Robyn Ludwig, all of whom support and encourage her additional involvement in the Sierra Club; and

Whereas, it is fitting and proper that the Missouri House of Representatives should pause in its diverse legislative actions in order to recognize such outstanding Missouri citizens as Erin Parish at momentous times in their lives:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join unanimously to applaud the personal, professional, and entrepreneurial achievements garnered thus far in the life of Erin Parish and to convey to her this legislative body's most heartfelt best wishes as she opens a new therapeutic massage business in Blue Springs; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for presentation to Erin E. Parish of Grain Valley, Missouri.
